## How to Authenticate This Official Transcript from the University of South Carolina

This official transcript has been transmitted electronically to the recipient and is intended solely for use by that recipient. If you are not the intended recipient, please notify the Office of the University Registrar at the University of South Carolina. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. If this document has been issued by the University of South Carolina, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or [Adobe® Reader](#); it will reveal a digital certificate that has been applied to the transcript. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Parchment with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The blue ribbon symbol is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The transcript key and guide to transcript evaluation is the last page of this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.

If you require further information regarding the authenticity of this transcript, you may email or call the Office of the University Registrar at the University of South Carolina at [registrar@sc.edu](mailto:registrar@sc.edu) or 803-777- 5555.

## ACADEMIC TRANSCRIPT GUIDE

### University of South Carolina

**ACCREDITATION:** The University of South Carolina is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award degrees from the associate degree to the doctoral level. In addition to this comprehensive accreditation, the professional schools within the Columbia and Greenville campuses are individually accredited by their respective associations.

**CALENDAR:** The University of South Carolina follows a semester calendar which includes condensed and extended parts of term. For Fall and Spring semesters, there are 70 class days with a minimum of 2100 minutes of instruction for a standard 3 credit hour class. All nonstandard one or two day per week classes must meet the minutes of instruction requirements as part of the calendar. Regulations governing the regular academic year also pertain to the summer semester.

**CAMPUS LOCATIONS:** Aiken, Beaufort, Columbia, Greenville, Lancaster, Salkehatchie, Sumter, Union, Upstate.

**COURSE NUMBERING SYSTEM:** Courses numbered from 100 to 699 are taken at different levels for undergraduate credit. All courses numbered 100 to 499 are for associate and baccalaureate degree candidates. Courses numbered 500 to 699 may be taken for undergraduate or graduate credit and are open to advanced undergraduates. Courses numbered 700 to 899 may be taken for graduate credit only. Courses numbered 900-999 may be taken by students enrolled in the South Carolina College of Pharmacy.

**COURSE SUBJECTS:** The implementation of a new student information system in 2013 required modification to many departmental subjects (e.g. AEGL became ENGL) and the elimination of some course number prefixes (e.g. ENGL L101 became ENGL 101).

**GRADE FORGIVENESS:** Undergraduates earning a D+, D, F, FN, or WF in courses taken Fall 2007 or later may take up to two (2) of these courses for a second time for the purpose of grade forgiveness. Both the first and second grades will appear on the University of South Carolina transcript with only the second grade, designated by Repeated GF to be used in the computing of the University of South Carolina institutional grade point average.

**SOUTH CAROLINA HONORS COLLEGE:** The SCCC and SCHC course subject indicates courses offered by the South Carolina Honors College, which are either honors version of regular University courses or special pro-seminars. Courses tend to be in discussion format, foster strong faculty-student rapport, and frequently include intensive work on individual or group projects.

**SOUTH CAROLINA COLLEGE OF PHARMACY-SCCP COURSES:** The SCCP course subject indicates courses offered by the South Carolina College of Pharmacy formed in 2006 by the merger of the Colleges of Pharmacy at the University of South Carolina in Columbia and the Medical University of South Carolina in Charleston.

**CURRENT GRADING SYSTEM:** The current grading system include grade symbols created after the implementation of a new student information system in Fall 2013.

**COVID 19 PANDEMIC:** To address complications presented by the COVID19 pandemic, USC Faculty Governance passed a temporary grading policy for undergraduate and graduate students. The policy allows students to request final Spring 2020 grades to be replaced with Pass/Fail grades of S+, S, or U.

- S+ can replace a grade of A, B+, B, C+, or C.
- S can replace a grade of D or better (equates to passing grade).
- U can replace a grade of F.
